**Letter of Recommendation
Quantities Inc.**

Dear Sir/Madam:

Good day. It is my understanding that Quantities Inc., is pursuing a Contract with your organization; in as such. I would like to offer the following in kind. It is with great pleasure that I share the following comments and key points about the services they have provided to Amtrak - National Railroad Passenger Corporation. Quantities Inc., has done an excellent job to date, in the areas of pre-construction and construction management oversight. They are dependable, reliable and a dedicated consultants team who are result driven. Their leadership and management skills have always been admired and proved to be an added benefit to our organization.

The team of Quantities Inc., has performed Preconstruction and Construction Management Oversight Services for the following projects.

- First Avenue - Ventilation Building - \$220M
- SCADA Integration System Ctrl. & Upgrades - New York Pen Station - \$35M.
- New York's Long Island City Tunnel - Mechanical Ventilation Upgrades - \$110M.

I would highly recommend Quantities Inc. to any organization. They have provided the resources and expertise required to successfully meeting our Contractual request on every occasion. They truly understand what it takes to maintain a successful relationship with the customers and stakeholders; and as such, I would recommend them to assist in any such Task. If I can be of any further assistance and/or you should wish to discuss their performance, please feel free to contact me anytime. Have a great and safe day.

Sincerely,

Clavel B. Crump
